Continuation of Substance of Interview including description of the general nature of what was discussed: Upon Primary approval, Examiner notified Atty of the allowability of the pending claims, and thus requested authorization to perform an Examiner's Amendment to amend the claim language of Claim 9 for fulfilling the 101 requirements and for providing consistency with the specification which recites use of the computer "storage medium" as opposed to the claimed computer "readable medium". Atty authorized Examiner to replace "readable" with "storage" in the claim language, thus the claim has been amended accordingly.
